Fire Department and Rescue Squad Occupy New Locations Now

Sunday, Monday were Moving Days for 2 Antioch Protection Groups

The Antioch fire department moved into its new home Sunday. Monday was moving day for the Antioch Rescue squad which moved into the Main st. station vacated by the fire department.

The firemen held their first meeting Tuesday evening at the new building on Orchard st. They were a little inconvenienced for lack of tables and chairs, but plans were made immediately to get furniture and equip the meeting room in a suitable fashion.

The weekend was spent in putting up racks and hooks for fire fighting paraphernalia.

Motorists were warned by the officials of the department that they must not park cars in front of the new fire station. Many not aware that the new building is in use, continued to consider the ground in front of the building a parking lot. Had there been a fire the firemen would have had a difficult time in getting away.

Plans are being considered for identifying the building with some kind of sign.

Sports and Home Show at L. Villa Set for June 22

Chain O' Lakes Council Has Plans for Big Exhibit On Lake Shore

One of the most outstanding events of the lakes region this summer will be a Sport and Home show June 20 to 26, sponsored by the Chain O' Lakes Region council, Chester R. Jones, president announced.

The show will be on the south shore of Cedar lake and will cover 45 acres of shore land including the new Sherwood beach and picnic ground.

The entire show with the exception of the midway and free attractions will be under tent. Free parking space will be provided for 3,000 cars.

Lewis Boland of Crooked lake was named chairman and William Wood of Third lake, general manager.

The show will be limited to 200 exhibitors of sports and home equipment, and will be similar to the show in Chicago recently.

There will be special attractions on Cedar lake such as boat races, and a tunnel will be built under Grand ave., so that the crowd can pass safely from the show grounds to the beach.

Two beauty queens, one for sports and the other representing the home will be chosen before May 15.

The midway will have rides and concessions.

Because of its proximity to 50 lakes it is believed that the show will be a big drawing card.

No Petitions for Village Offices Are Filed as Yet

Although the political pot is beginning to boil, and many rumors are flying concerning possible slates, backed by various groups within the village, no petitions for any of the village offices have been filed.

A president, clerk and four trustees are to be elected on April 19th, the large number being due to several resignations from the board.

Village president George B. Bartlett, had previously indicated that he would not be a candidate for reelection, but it is believed that since he has been prevailed upon by several delegations of citizens, that he will head a slate on the ballot.

Village clerk Laurel D. Powles reported today that several petitions have been taken out, but as yet none have been filed. The last day for filing is March 15.

Monday Deadline for Filing
Although Monday is the last day for filing, only two persons have filed for candidacy in the town election. No one has filed for town clerk, C. F. Richards said. John Horan is carrying a petition to seek re-election for town collector.

Edward A. O'Brien of Lake Villa Injured in Auto Accident Friday

Edward A. O'Brien, 24, of Rte. 59 near Lake Villa, was injured about the chest Friday night when a delivery truck driven by Edward Sewick, Grayslake, crashed into the rear of his car at the Soo Line crossing of Rte. 45.

O'Brien's car was being towed and when the tow rope to it broke it was left standing in the highway unlighted.

Sewick said he failed to see O'Brien's car in time to avoid crashing into the rear of it. O'Brien was thrown against the steering wheel. He was taken to Conell Memorial hospital for emergency treatment by Dr. C. O. Edwards. His car was badly wrecked.

Sewick was unhurt.

D. H. Minto Elected Again as Director of County Farm Bureau

Organization Reports 1,643 Members at Annual Meeting Saturday

D. H. Minto, Antioch, was re-elected director of the Lake County Farm bureau at the annual meeting Saturday evening in the Grayslake grade school building.

A number of Antioch township residents were among the 500 persons that crowded the school auditorium in hearing reports of officers, choosing directors, and listening to an address by Tom Kelly, Minneapolis, Minn., a specialist on soil erosion.

Kelly told the farmers to "live today as though they were going to die tomorrow and farm today as though they were going to farm all ways."

"Farmers used to wear out their farms and then move west, but there is no longer any west to move to," Kelly said. He admonished them to preserve their land.

The Farm bureau now has 1,643 members and is still growing, E. E. Elsbury reported. Last year was the busiest year yet for the organization.

A new activity this year was the formation of the HIA and the campaign for Blue Cross insurance memberships.

Directors elected along with Mr. Minto were Avery Vose who replaced his father, George, Ray Flood, Harry Matthews, L. A. Huebsch, George Leikam and George Grever.

Refreshments were served and two hours spent in dancing after the business meeting.

Albert L. Johnson, 64, Publisher of Richmond Gazette, Dies Saturday

Albert L. Johnson, 64, passed away in Richmond Saturday, Feb. 19, following several months of failing health.

Mr. Johnson, was the owner and publisher of the Richmond Gazette, having purchased it from the late Homer B. Gaston in September 1926.

He was also publisher of the Hebron Times, Genoa City Broadcaster, Fox Lake Herald and the Twin Lakes Reporter. Prior to coming to Richmond Mr. Johnson was owner and publisher of the Marengo Republican News and was interested in the Woodstock Sentinel and the Harvard Herald.

He was born March 18, 1885 in Harvard.

Survivors are his mother, Mrs. Susie Johnson, of Marengo, and a son, Adelbert.

Funeral services were held Monday from the Ehorn Funeral Home, Richmond, with the Rev. L. R. Vining of the Richmond Community church officiating. Interment was in Harvard.

Senior Class Will Give Play "Tish" on May 5, 6

"Tish", the famous comedy featuring Mary Roberts Rinehart's beloved character by that name will be given as the Senior class play on May 5 and 6 at the Antioch Township High school.

Miss Naomi Meiners, home economics teacher, will direct the play. The cast of characters will not be selected for three or four weeks yet, Miss Meiners said.

The play was a big hit on Broadway and in motion pictures.

Petty Predicts More Financial Assistance To Schools, Teachers

W. C. Petty, county school superintendent, discussed school legislation before the Parent Teacher association at the grade school Monday evening.

Introduced by Mrs. Morris Pickus, program chairman, he gave first the national picture in which he predicted that more money will be spent for improving education.

He said a state bill is pending hoping to increase teacher salaries and pensions and to give more aid to schools where it is needed.

Eugene Shea, outstanding baton twirler and instructor from Waukegan, presented several numbers by his Antioch and Waukegan pupils. His two sisters, both state champions, also did several numbers.

Two radio and phonograph combinations were bought as the year's project by P. T. A.

Mrs. Gus Mantis (chairman) gave a report on the kitchen equipment that was bought.

The card party and dance for P. T. A. at 8 p. m. Saturday, March 5, was discussed at this meeting. Mrs. Vern Barnstable is chairman. Bessie Barnes orchestra will furnish the music.

One hundred and eighty-three pupils have taken the advanced health program sponsored by the P. T. A.

The fourth and sixth grade tied for having the largest number of parents present.

Refreshments were served by the fourth grade mothers, Mrs. Harry Miller, room mother, assisted by Mrs. Vern Barnstable and Mrs. Gus Mantis.

Movies Here to Show Jet Propulsion as Part Of Transportation Plan

Program at Grade School on Wednesday to Foster Civil Air Patrol

A public meeting at the Antioch grade school at 8 p. m. Wednesday, March 2, will have as its chief attraction motion pictures of jet-propelled airplanes, such as the P-80; use of radar; atomic experiments, and many scientific advancements under military development.

The entertainment, according to William Horton, local business man, is to introduce to the community the Civil Air patrol with the hope that a senior organization can be formed.

The Civil Air patrol was born during the recent world war and has been carried over into peacetime as a preparedness and defense measure.

The CPA encourages many interests in communication and transportation. As an auxiliary of the United States Air force it provides for training of the civilian in aviation or it may enlist the aid of amateur radio operators, often referred to as Hams.

A limited amount of both aviation and communication equipment are provided.

Membership in the senior group requires ages from 18 to 65, is voluntary, and members retain their rights as private citizens at all times. There is no pay, merely the enjoyment of learning such subjects as navigation, meteorology, military subjects, aircraft structure, theory of flight, power plants, radio code, radio telephone, flying safety, aircraft instruments and communications without cost.

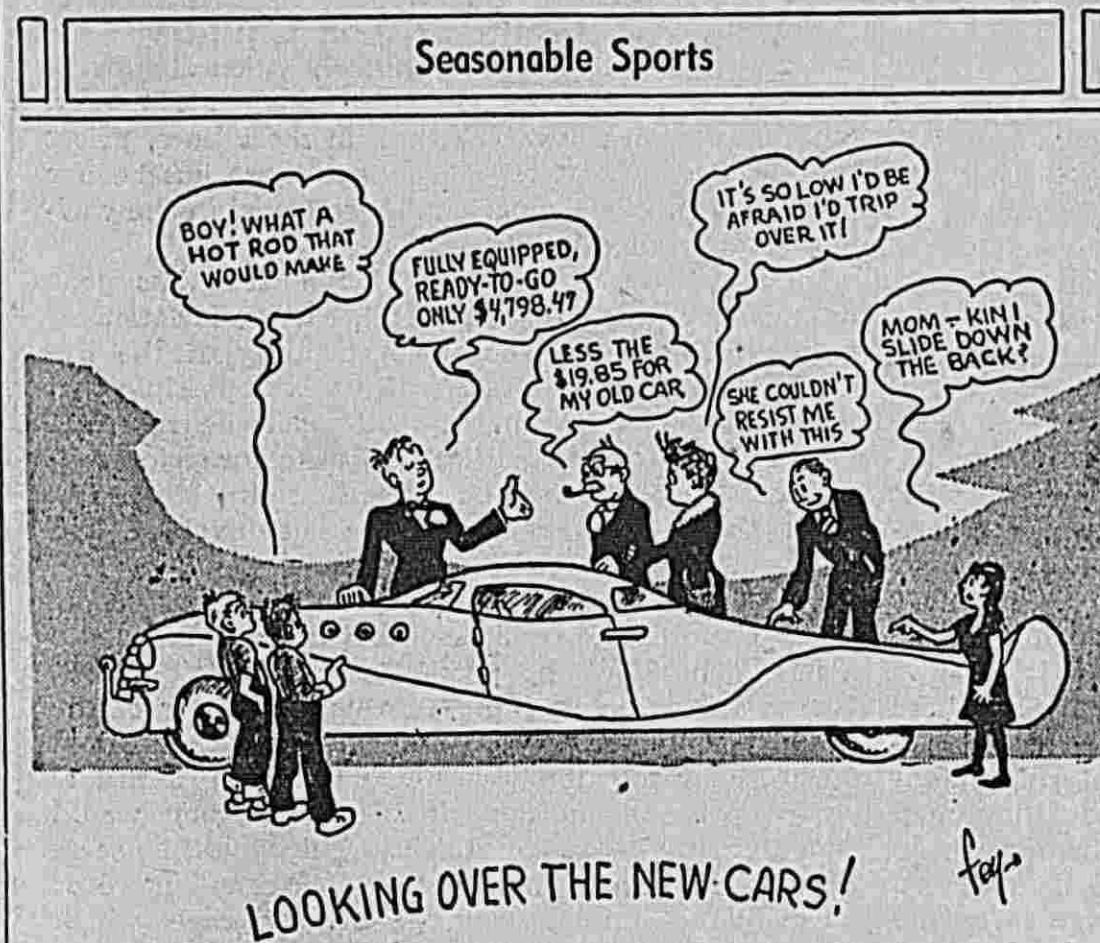

Horton said that if he has success in the organization of a senior patrol, he plans a cadet patrol of persons from 15 to 18 years of age.

Lt. Col. Charles Richardson, deputy wing commander, and Capt. Carl Mues will come here from the Army Air Force aviation base at Orchard Place airport (Douglass field) near Chicago to show the pictures.

Pure Milk Association's Annual Meeting on Mar. 12

Members of the Pure Milk association in the Antioch region have been informed that the twenty-fourth annual meeting of the association will be held Saturday, March 12, at the Hotel Sherman in Chicago.

Mrs. Haven Smith, vice president of the Nebraska Farm bureau, and Dr. J. O. Christianson, superintendent of the College of Agriculture, University of Minnesota, will be the principal speakers.

Curtain Rises Tonight on "Nothing but the Truth"

The curtain rises tonight on the first of three productions of the play "Nothing But The Truth," by the Lakeland Players at the Antioch Township High school.

The three-act comedy is one of the outstanding hits of recent years and laughs are guaranteed by the awkward situations in which an employee of a firm would be placed in trying to tell the whole truth for a day or two.

Participating are William E. and Viola Nelson, Robert and Dorothy Lindblad, Homer LaPlant, Thomas W. Burns, Bernard Sturm, Kay Berkheiser, Gloria Erickson, Myrtle Grootveld and Jean Abt. Their experience on the stage insures a good performance.

The play is being sponsored by the American Legion. Tickets have been going rapidly, for the Friday and Saturday nights productions as well as tonight's.

Mrs. Clara Willett, 73, Dies Saturday in a Waukegan Hospital

Funeral Services Held Tues. From Strang Funeral Home

Clara Willett, 73, 983 Spafford Street, passed away Saturday, February 19, at 7:30 p. m. St. Therese hospital, following several months of failing health. She was born November 21, 1875 at Prestwich, England. She came to this country in 1893 and had made her home in Antioch for the past 40 years.

She was a member of Antioch Chapter Order of Eastern Star No. 428, and of the American Legion Auxiliary Unit No. 748.

Survivors are a daughter, Mrs. Jennie Ziegler of DeKalb and a son, Frank of Antioch. Three sisters, Mrs. Emily Daniels of Walled Lake, Michigan, Mrs. Victoria Osborn, of Ludington, Michigan and Mrs. Jennie Baxter of Stevensville, Michigan, one brother, Fred Croasdale, also of Stevensville.

Funeral services were held Tuesday at 2 p. m. from the Strang Funeral home with the Rev. E. William Strauser and the Order of Eastern Star officiating. Burial was in Hillside cemetery.

Antioch Legion Team To End Home Season Mon. With Waukegan

The Antioch American Legion basketball team will play their last two home games of the season at the Antioch High school gym at 7:30 p. m. Monday against Waukegan teams, and the players are asking the support of the community by a big turnout of spectators.

The teams played at Wauconda Sunday evening, splitting a double-header. In the first game Antioch lost to a taller, heavier Wauconda five by a score of 48 to 37. In the second game Antioch routed Wauconda 63 to 34.

Displaying a snappy attack Antioch led at the half 36 to 14. Bobby Kraft was high man with 23 points, and the rest of the points were divided among the Antioch players. Monday night, on the local high school floor, the Antioch cagers couldn't pull the first game out of (Continued on page 5)

Lake Villa Grade School Principal Is Jailed Tuesday

David Shrum, 30, principal of the Lake Villa grade school for the past three years, is in Lake County jail, after failing to raise bail of \$10,000.

Shrum was arrested Tuesday afternoon by Lake Villa constables on a warrant issued by Judge Ray J. Reardon, Waukegan, charging the teacher with contributing to the delinquency of a minor. The warrant charged the teacher with "committing an unnatural sex act" with a 14-year-old boy pupil of the school. The warrant was given approval by Robert E. Poulson, assistant district attorney, who was in Lake Villa Tuesday investigating the case.

Members of the board at the school held a special meeting Tuesday evening, at which several other pupils of the school were interviewed, after the arrest was reported to the board by an employee. The board members stated that this was the first indication that anything was amiss at the school.

Date for trial of the teacher has not yet been set, and failing to raise bond, he will remain in jail until the trial.

Gaston Made President Of Publishers' Group At Channel Inn Meeting

Howard K. Gaston of the Antioch News, was elected president of the Lake County Newspaper Publishers Association, Inc., at a dinner meeting Friday night at Adolph's Channel Inn. Gaston will succeed V. E. Decker, Oak Park, of the Pioneer Publishing Co.

Charles H. Miller, editor of the Independent-Register, Libertyville, was reelected secretary-treasurer. A. H. Hagerty, Libertyville, and John Udell, Highland Park were elected directors. These together with A. N. Solomon, a holdover, and the officers will serve as the board of directors.

State Representatives Nick Keller and Harvey Pearson of the eighth Illinois legislative district, were guests. Senator Ray Paddock was detained in Springfield, and Rep. Thomas A. Bolger, McHenry, were unable to attend. The legislative program mapped by the Illinois Press association, was discussed. The two legislators said they would support the measures which deal with legal publication requirements.

Messrs. A. N. Solomon, Round Lake; John Moore, North Chicago and Wm. Bickett, Zion, were named to confer with Jess Brown, Waukegan, relative to a coordinated classified advertising plan. The next meeting will be held March 25 in North Chicago. John Moore was appointed to arrange a program.

In June the association, together with Boone and McHenry county newspaper publishers, will have a dinner meeting at the state conservation camp near Lake Villa. Rep. Nick Keller will arrange a program.

Fourteen young people from the Senior and Young People MYF of the Methodist church attended the Mid-Winter MYF institute at Libertyville Saturday and Sunday. Those attending from Antioch were: Bob Kufalk, Bud Cardiff, Bob Wilton, Dave Deering, George Reardon, Virginia Petersen, Verna Kufalk, Pat Reardon, Betty Jean McDougall, Paul Biel, Fatsy Keulman and Bill Clark.

Paddock Barn Burns With \$20,000 Loss; Dairy Herd Is Saved

Fire Starts in Tractor, and Bluff Lake Man Loses All Machinery

Only the herd of 21 head of dairy cattle was saved in a fire that destroyed the barn and contents belonging to Charles Paddock of Bluff lake last Friday forenoon with a loss estimated at \$20,000.

One heifer was overlooked by Mr. Paddock as he led his herd to safety and it was destroyed.

With the 30x70 foot barn and adjoining machine shed the flames consumed all of Mr. Paddock's farm machinery, dairy equipment and 20 tons of hay.

The machinery comprised the tractor in which the fire started, a binder, a cultivator, plows, a disc harrow, hay mower, milking machines and tools of many kinds. "In fact, I lost all the equipment one has to have today in farming," said Mr. Paddock.

Paddock said that he started the tractor which was stored in the barn and let it run for about five minutes to see whether it was working properly or not. That was about 11 a. m.

"Then I let it stop and a moment later got into the seat with the idea of driving the machine out of the barn. When I stepped on the starter flames commenced to shoot out and an instant later the whole engine of the tractor was afire," he said.

Paddock said he rushed to the house and got a small extinguisher, but by the time he got back the blaze was beyond his power to control it. The fire caught the flooring and spread rapidly.

Removal of the cows was the owner's first thought and he barely had time to get the animals out before the building was a roaring furnace.

Fire departments from Antioch and Lake Villa responded quickly but the wind-fanned flames consumed the barn so quickly that there was no opportunity to save any portion of it.

The firemen did an excellent job in saving the granary, garage and house which were in the direct path of the flames blown from the southwest, Paddock said. There was plenty of water to cool the protected buildings and to extinguish any sparks.

The barn and its contents burned exceedingly rapid, Mr. Paddock said and within 20 minutes times the mow fell in. The rapidity with which the building burned although making a very hot blaze, lessened the time in which other buildings were placed in danger.

The Bluff lake farmer said he disposed of some of his dairy cattle and the rest he is sheltering at the nearby Walter Forbich farm and milking them by hand. He said that his insurance will cover only about one-fifth of his loss. He hopes to rebuild and keep on farming. His life has been spent on this farm.

H. R. Heine, Grass Lake Contractor, Dies at 78

Funeral services were held Friday for Heinrich R. Heine, 78, of Grass lake, president of the Heine Chimney and Construction Co., of Chicago at Western Springs. His death occurred Wednesday night, Feb. 16. Burial was in Forest Home cemetery.

Surviving are the wife, Maude, a son, Lt. Cmdr. Heinrich Heine, Jr., and a daughter, Mrs. Hildegard Koerber.

His company designed many of the largest commercial chimneys in this country and Europe. He also designed a part of the LaSalle st. station in Chicago.

Loss to Barrington in Tourney Was Curtain For Antioch's Season

Too much reserve power gave Barrington Township High school the victory over Antioch in the first round of play at the district basketball tournament at Wauconda Tuesday night. The score was 52 to 32.

The Sequoias were not out of the running until the fourth quarter when the Barrington squad alternating as two teams wore them down. Barrington is expected to be the district champion and a defeat by them was no disgrace.

This game brought to a close the (Continued on page 5)

Do You Smoke In Bed?

Smoking in bed is one of the more prolific causes of fire—particularly fire which results in serious personal injury and loss of life. Those who have the habit would do well to read a list of "Instructions to Guests Preparing to Smoke in Bed" which has been posted in the rooms of a New York hotel. It says:

- "1. Call the office and notify the management where you wish your remains sent
- "2. Notify guests in adjoining rooms of your intention of endangering their lives, so that they may take necessary precautions to protect themselves.
- "3. Go to the corridor and locate the nearest fire escape, so that if you are fortunate enough to escape your room, you may reach safety.
- "4. Now sit down and think how foolish it is for you to take this risk—you may enjoy your smoke while thinking it over.

"Business may be good, but we do not have guests to burn, so please—Help Us to Protect You."

Those words cover a lethally serious problem. And what is true of hotels is equally true of the home. Remember these rules next time you feel like smoking in bed.

Nothing New

There has been a great deal of concern over the proposal, made in the President's State of the Union message, that the government be empowered by Congress to go into the steel business if private industry does not produce "sufficient" steel. Just how much steel would be considered "sufficient" would be decided by the government, thus placing it in the position of being judge, jury and prosecutor, all in one.

There is every reason in the world for concern—socialization of steel, no matter how small the degree, would be a very long step down the road that is gradually leading to the destruction of liberty and initiative in England. However, the American people seem to have overlooked the fact that socialization of enterprise is nothing new to the American government, and that we have been in the midst of a trend which must be stopped if our system of economics and our system of government are to live.

Electric power is the prime example. What real difference is there between a government-owned power plant and a government-owned steel plant? Both have their roots in the socialist ideology; both are the enemies of free enterprise; both represent a triumph of political power over the rights of the people. The government has spent billions for socialized electricity. It wants to spend billions more. It has, in various regions, made it impossible for the private companies

to carry on major expansion work. And, to pay for this, it has saddled us with more and more taxes.

The fact is that the proposal for a government steel plant simply follows a precedent already established. Fortunately, precedents can be changed. The problem before the American public is whether we want stultifying socialism based on the European pattern, or whether we want to keep a philosophy of life that has given us more freedom and more opportunity than any other people has ever known.

How To Regiment The Country

The debate over price control, which dominated the news not so long ago, has slackened. The most apparent reason for this is that, in most lines, prices have leveled off, and in some lines there has been a distinct downward swing. That is reflected in the various cost-of-living indices.

This does not mean that the issue has gone permanently out of the limelight. Strong inflationary factors—notably the enormous spending of the Federal government—are still with us. It is possible that the upward trend in prices will again be resumed. Should that happen, political pressure for price controls of some kind will be turned on full blast. The public should keep in mind the issue involved, and what a dictated economy could mean.

The basic fallacy of price control is that people cannot be forced to produce goods and sell them at a price which allows no profit, or may entail a loss. Take meat for an example—it was the center of the price controversy some months ago. If farmers and ranchers saw that the government was determined to fix the price at an unprofitable level, they would gradually stop producing it. The result would be scarcity and then an actual shortage. More and more of the available supply would go into channels which scoffed at the law.

Price control, by its very nature, would necessitate complete control of the entire economic system if it were to even partially succeed. It would be unworkable, for example, without ironhanded wage control. Thus, in time, it would create a regimented economy—which is the basic step toward the totalitarian state.

The Low Down From Hickory Grove

Well folks, she looks like things are getting better—maybe. Better than what, says Henry, answer me that. Well, I says, if you would read a little something once in a blue moon—and especially history—you would know that back there when the Roman Empire was big and chesty, it put on some whoppin' big shows, bigger even than the inauguration shindig we just put on there in Old Spendville-by-the-River, with 40 bands, etc.

But in Rome, for the main event they threw the slaves, and suckers, and prisoners and taxpayers, and opposition Senators, to the lions. And looking at it from that angle, see how well off we are today. Now, today, a taxpayer is not tossed into the arena to be nibbled on—he is just called in by the high and mighty Income Tax gent, and, after being disrobed, almost, is turned loose with just enough dinero in his jeans to get him through another year. Then, he is called back and plucked again. So you see, I says, there is progress. You don't lose all your hide, complete—like in the lion arena—you just lose your mazzuma and your liberty.

But one more word—if Uncle Harry gets all the cash to spend that he is asking for—40,000 million—then I cannot guarantee that Mr. Taxpayer's hide will be any more safe than back there under Nero and the other high steppin' tax-exempt boys that took over in Rome.

Yours with the low down,
JO SERRA

MILLBURN

Regular church services at Millburn church at 11 o'clock Sunday, when Rev. L. H. Messersmith will speak on the subject "Far Away Places". The class in preparation for church membership will meet at 9 o'clock each Sunday morning, until the course is finished, probably in May.

The Couples Club met in the church recreation room Friday evening with 13 couples present. Mr. and Mrs. Messner and Mr. and Mrs. Wetzel were in charge of games and refreshments.

Mr. and Mrs. Frank DeYoung entertained their card club at their home Saturday evening with 24 present.

The Ladies Aid Society will meet at the church Thursday, March 3. Cafeteria dinner will be served at noon by the March committee, with Mrs. H. M. Clark chairman, assisted by Mrs. Frank Edwards, Mrs. Hubert Messner, Mrs. H. Kenimer, Mrs. Ed Hoffman, Mrs. Kaluf, Mrs. Ernest Wells and Mrs. Ernest Peyer.

Mrs. L. H. Messersmith and her Sunday school class enjoyed a party at the home of Betty Erickson at Crooked Lake Monday evening.

Mr. and Mrs. Tom Cosgrove, Chicago, Mrs. Gus Christianson and family, of Union Grove, Mr. and Mrs. Jack Neahous and son, Charles, Antioch, were dinner guests at the Oscar Neahous home Sunday in honor of the birthday anniversary of Mrs. Neahous.

Mr. and Mrs. H. F. Lentz and son, William, of Wauconda, and Richard Painter, of Chicago, were dinner guests of the Edward Sundin home Sunday.

Mr. and Mrs. David Nevelier, of Kenosha, spent Saturday evening at the Harold Pullen home.

Mr. and Mrs. Leo McCord, of

Waukegan, spent Sunday at the Tom Harness home.

Mr. and Mrs. Joseph Strohal celebrated their golden wedding anniversary with open house at their home Sunday afternoon and evening. Ninety relatives and friends from Chicago, Riverside, Lyons, Berwyn and Cicero and Lake county called to wish them many more happy years together.

Mesdames, Neahous, Anderson, Edwards, Messner, Davis and Messersmith met for sewing at the W. A. Robbins home Thursday afternoon.

Mrs. Austin Savage and Mort Savage spent Saturday at the Harvey Mann home in Waukegan.

Mr. and Mrs. Frank Edwards spent Wednesday evening at the John Edwards home in Libertyville.

Rev. and Mrs. Messersmith and Mrs. Ora Davis spent Saturday with the Rudolph Slivka family in Madison, Wis.

Mr. and Mrs. S. Matthews are the parents of a daughter born at St. Therese hospital Monday, Feb. 21.

Mr. and Mrs. Fred Tebben and son, Wendell, Mr. and Mrs. Everett Truax and daughters, of Wauke-

gan, Mr. and Mrs. Don Truax and Randall DeHaan were supper guests at the home of Mrs. Ida Truax Sunday.

Mrs. Earl Bauman and infant daughter returned home from St. Therese hospital Friday.

Rev. and Mrs. Messersmith and Mrs. Ora Davis were dinner guests at the home of Mr. and Mrs. Walter Fontaine Sunday.

Mr. and Mrs. Howard Bonner and sons were supper guests at the Robert Bonner home at Kansasville Sunday.

Mr. and Mrs. J. S. Denman entertained their family at buffet supper Sunday evening in honor of the birthday anniversary of their granddaughter, Barbara Kane, of Diamond Lake.

Rev. Messersmith addressed the boys at Allendale school at 12:30 Sunday.

Members of the Mylo club met at the home of Alice Denman

Thursday evening with Mrs. Messersmith and Ruth Minto as co-hostesses.

Mrs. Ralph McGuire was in charge of games for the Valentine

party. Secret pals of the past year were disclosed with gifts and new names were drawn for 1949.

Chalmers Wooley is a medical patient at St. Therese hospital.

Fantastic price? Not at all. You might have to pay it! If you have an accident in one of the 40 states with new, strict financial responsibility laws, you might be required to post this sum in cash or security. Failure to do so could cost you your driver's license. Why not let State Farm Mutual give you the best proof of such responsibility—FULL COVERAGE auto insurance? Our lower rates make it an extra-sound investment. Call or come in today.

WILTON ELECTRIC SHOP
Antioch, Illinois

"I'm Fresh as a Daisy..."

"I feel bright as a new penny every morning ... after a good night's sleep under my electric blanket. The blanket's gentle warmth assures me of healthful rest all night—every night. No wonder my disposition is sunny."

The wide-awake control of your electric blanket, comforter or sheet will assure you of comfort while you sleep ... it adjusts automatically to room temperature changes. Switch the control to "on" a few minutes before retiring and your bed will be cozy-warm from corner to corner. You'll find you really relax, too, because there's only one lightweight electric bedcovering over you instead of three or four heavy, old-fashioned blankets.

You'll sleep better—and feel better—when you have an electric bedcovering. You can't help being fresh as a daisy! For a wide assortment of electric bedcoverings, see your dealer or our nearest store.

...thanks to my
Electric Blanket!

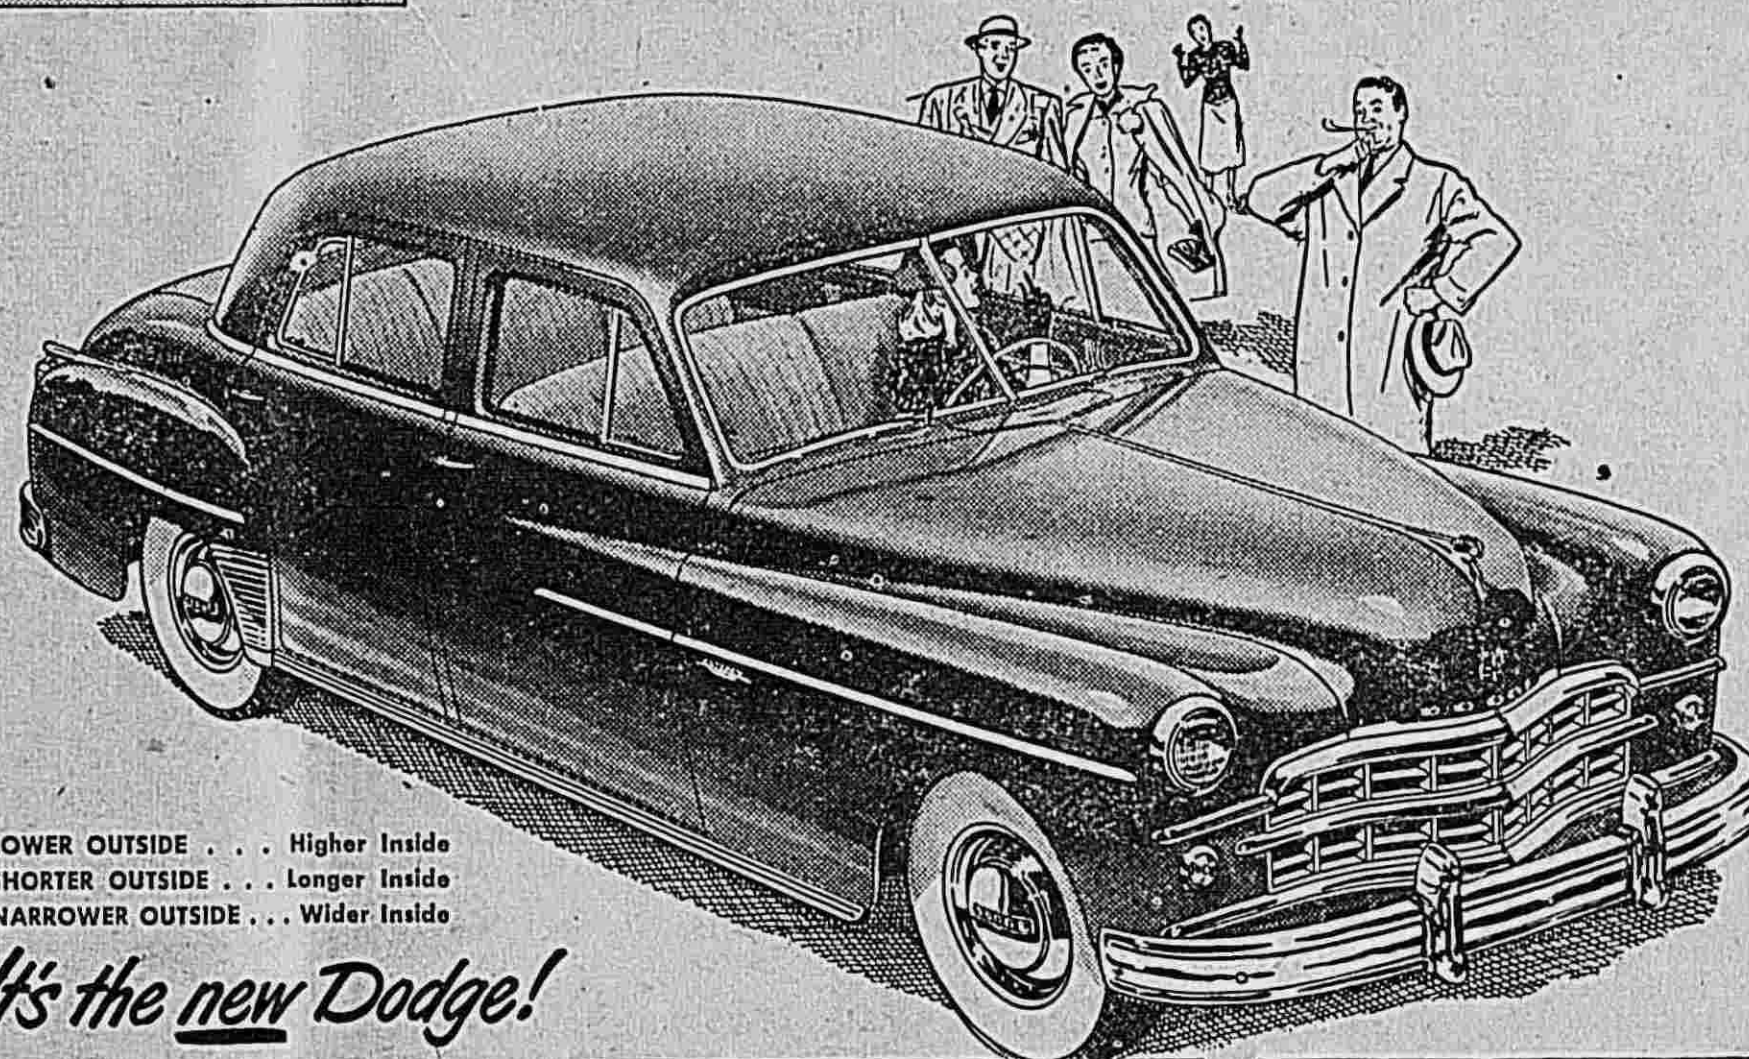

**Safe Comfort**

For your complete assurance, when shopping for electric bedcoverings, look for the label of Underwriters' Laboratories, Inc.

THE DARING NEW DODGE
BUILT FOR TODAY'S BIGGER, TALLER, MORE ACTIVE AMERICANS

LOWER OUTSIDE ... Higher Inside
SHORTER OUTSIDE ... Longer Inside
NARROWER OUTSIDE ... Wider Inside

It's the new Dodge!

NEW HEAD ROOM ... NEW ELBOW ROOM. No danger of knocking your hat off in either front or rear seat ... Wide, wide seats built for three passenger luxurious comfort.

NEW LEG ROOM ... Real stretch-out room for long legs and tall people ... and Dodge "knee-level" seats give them full support for comfortable and relaxing day-long trips.

NEW PERFORMANCE ... New "Get-Away" engine, plus Fluid Drive, squeezes extra miles from every tankful of gas ... gives you much faster acceleration for safer passing.

When Army physical exams revealed that our wartime generation was far bigger, taller, Dodge started planning this great new car

IT'S lower on the outside ... higher on the inside! Shorter on the outside ... longer on the inside! Narrower on the outside ... wider on the inside! You will wonder how it was done!

Here's daring new design ... distinctive new style ... natural beauty that flows from truly functional engineering. Here's new elbow room, more leg room

and more head room—plus the amazingly s-m-o-o-t-h ride of Dodge All-Fluid Drive. New styling ... new "Get-Away" engine ... new luxury and comfort ... optional Gyro-Matic transmission ... are only a few of the new things that'll thrill you. But see them all at your Dodge dealer's now. Learn first hand just what the daring new Dodge will do for you.

SOCIETY EVENTS

Mrs. Warriner to Show Cancer Film To Methodist WSCS

Mrs. W. W. Warriner, representative of the American Cancer Society in Antioch township will show a motion picture on the detection of cancer in its early stages and explain the facilities the county offers in cancer control at the meeting of the Woman's Society of Christian Service.

The meeting of the Methodist organization will be held at a sandwich luncheon at the church Wednesday, March 3. Mrs. D. N. Deering will lead the devotion.

Mrs. Warriner's talk will also explain the work of the Home Service department of the Cancer Society.

Mrs. Bernard Guillaume will speak on "Human Values in Labor Questions," Mrs. A. P. Bratrude and her committee consisting of Mesdames Harry Krueger, Herman Rosing, Fred Oeschmann, Barbara Holbek, and Gust Mantis will have charge of the luncheon.

LAYMEN TO LEAD SUNDAY SERVICE

Laymen of the Antioch Methodist church will take over and conduct the morning worship this Sunday at 11 o'clock. The occasion is Laymen's Sunday, an annual observance of Methodist churches.

The chairman for the worship service will be Mr. M. C. Cain, Lay Leader of the church. The theme for Laymen's Sunday will be, "I am a Methodist." Addresses will be given by four members, Mr. Luster Badger, Mrs. Elmer Hunter, Mr. Louis Horton and Miss Betty Lu Williams. Others who will assist in the service include Mrs. George Good and Mr. E. W. Kufalk.

The robed choir under the direction of Mr. Charles B. Watson will sing. Mrs. Wesley Carlsson will sing a solo number. A nursery for small children is maintained each Sunday in the basement of the Church to enable parents to attend the worship service.

MILLBURN HOME BUREAU HAS THIRTY PRESENT AT MEETING FRIDAY

Thirty members and one guest were present at the meeting of Millburn Unit of Home Bureau held at the home of Mrs. Emmet King Friday, Feb. 18. Mrs. Andrew Magiera was co-hostess for the dessert luncheon served at 1 o'clock. Mrs. Raymond Laursen gave the major lesson on "Household Repairs" and Mrs. Don Holum gave the minor lesson "Entertainment for the Convalescent." Mrs. Robert Murrie announced the 4-H leader's conference at Crystal Lake, Mar. 3, when the leaders will be guests of Public Service Co., for luncheon, March 10 is the date of 4-H organization school to be held at Home Bureau office. Mrs. Emmet King gave an excellent report of her 4 days at Champaign for Farm and Home Week, Jan. 31 to Feb. 3. Mrs. Wetzel, president of the unit announced her chairmen for the year as follows: Activities, Mrs. Raymond Laursen; Ways and Means, Mrs. Wilbur Mack; Publicity, Mrs. W. A. Robbins; Program, Mrs. Carl Anderson; Library, Mrs. Emmet King; Health and Safety, Mrs. Don Holum; Welfare, Vivien Bonner; Recreation, Mrs. Edward Kidera; Hostess, Mrs. Frank Edwards; Shut-in, Mrs. Oscar Neahous; 4-H chairman Mrs. Roy Bolton. The officers and chairmen were invited to meet with Mrs. Wetzel at her home Thursday afternoon.

METHODIST CHURCH SCHOOL ATTENDANCE NEARS RECORD

The Antioch Methodist Church school again neared its attendance peak achieved a year ago at Easter. Although the Crusade for Christ has officially ended for the church school, the local church continues to maintain a high average of attendance. The record attendance of the Antioch church was attained last Easter with 239 registered on that Sunday morning. One week ago the attendance was 229 and this past Sunday the attendance was 227.

MR. AND MRS. PACHAY PARENTS OF SON

Mr. and Mrs. Carl Pachay are the parents of a son, "Jeffery John" born February 17, at St. Therese hospital. Mrs. Pachay before her marriage was Miss Jeanette Eckert. Mother and babe came home Wednesday.

MR. AND MRS. HEATH ENTERTAIN O. E. S. OFFICERS CLUB

Mr. and Mrs. Clarence L. Heath, 909½ Main Street, were host and hostess to the members of the Eastern Star officers club Friday evening at their home. Games were played following the business session and a buffet lunch served by the hosts.

O. E. S. TO HOLD INITIATION THURS. EVE.

The Order of Eastern Star will hold a regular meeting and initiation ceremony this evening (Thurs.) at the Masonic Temple. Luncheon will be served following the meeting by Mrs. Irving Elms and her committee.

Quinquagesima Sunday
7:30 Eucharist
9:45 Church School
11:00 Morning prayer and sermon by Mr. Henry Choquette.
Ash Wednesday, March 2.
8:00 a. m. Eucharist and Imposition of Ashes.
Thursday, March 3, Thursday night Lenten services begin at 8 p. m.

Sunday, Feb. 27, at 3 p. m. Confirmation instructions. This is a good chance to learn something about the Episcopal church. No pressure will be used to urge anyone that attends these meetings to be confirmed unless they wish it.

Thursday, March 3, St. Ignatius Church will begin its series of Mid-Week Lenten services. The choir from Seabury-Western Seminary in Evanston will come and sing Evensong in ancient Plainchant. This is the type of singing that was used in the Monasteries in the middle ages and is very appropriate for they will be singing a service adapted from the ancient services of Vespers and Compline. This choir is very well known, having sung in all the larger Episcopal churches in the Chicago area, and they are coming to us as a real favor. The offering taken this night will go to the support of one of the graduates of Seabury-Western, who is now working in the Foreign Mission field.

Everyone is welcome to this service. The Seminary will furnish the organist who will play our pipe organ, and will also furnish the preacher of this evening service of Praise.

Card Of Thanks

I wish to thank all my neighbors and friends for the lovely cards and gifts which I received when I suffered a broken arm.
Mrs. Emil Risch

Mr. and Mrs. Atwell Celebrate Forty-third Wedding Anniversary

Mr. and Mrs. Henry G. Atwell, of Lake Villa celebrated their 43rd wedding anniversary at their home Sunday by entertaining at dinner their daughters and their families, Mary Atwell, Mr. and Mrs. Fredrick Nielsen and sons, Freddy, Jr., and Teddy Lee, and Mr. and Mrs. Nathan Beiser and son, Dickie.

Library Notes

Some seventeen years ago Mary Roberts Rinehart wrote a kind of personal record of a warm and abundant personality and called it "My Story." Now she has brought her autobiography up to date in a new edition which will be of great interest to her many devoted readers.

Kathleen Norris has written an appealing portrait of an American family in the San Francisco of the nineties in her new novel "High Holiday." Both of the above books were presented to the library in memory of Mrs. C. E. Mower.

Msgr. Fulton J. Sheen has won an audience for his works that includes many not of his religion by reason of his lucid treatment of far reaching ideas. His new book, "Philosophy of Religion," is a discussion of the relationship between human and religion and is certain to increase his readers. "Philosophy of Religion" was given to the library in memory of Mrs. J. H. Hubert.

MYF TO MARK BROTHERHOOD WEEK SUNDAY

The Senior and Young People's MYF groups will observe Brotherhood Week Sunday at 4:30 when the two groups discuss the subject, "Appreciation of Others." The particular theme this week will be, "The Jews and Us" and three leaders in each group will discuss (1) What Jews and Christians have in common (2) How Christians differ from Jews, and (3) A Christian Attitude Toward Jews. The Young People's MYF will have charge of the devotional service.

MRS. TRIEGER HOSTESS TO PAST MATRONS

Ten members of the Order of Eastern Star Past Matrons club were entertained at the home of Mrs. Arthur Trieger with Mrs. O. E. Hachmeister as assistant hostess Thursday evening. Bridge was played and a lovely luncheon served by the hostesses.

ANTIOCH WOMAN'S CLUB HOLDS MEETING MON.

Miss Hinton an employee of the Public Service company, gave an interesting talk on "Better Methods in The Home," before the members of the Antioch Woman's Club Monday afternoon at the Scout Home. Hostesses were Mesdames Wm. Osmond, Arthur Laursen, George Wagner, L. V. Madden and Maud Sabin.

Mr. and Mrs. Clarence Kufalk and daughter, Nancy, left Tuesday for a two weeks vacation in Miami, Fla. Mr. and Mrs. Luster Badger, Mrs. Fern Lux and Mrs. H. B. Gaston called on Mrs. Anna Nielsen and Fred Peterson at Victory Memorial hospital Saturday.

Mrs. C. E. Hennings who has been vacationing in California for winter, came home last week due to the serious illness of her grandson, Peter Poulos, who is a patient at St. Therese hospital.

Mrs. W. R. Williams, who has been ill at her home for the past week was taken to Victory Memorial hospital, Waukegan, Saturday for observation.

Dr. and Mrs. L. L. Breakstone are vacationing in Florida.

Card Of Thanks

We wish to thank all of our friends and neighbors for the many acts of kindness and sympathy shown during our recent bereavement.

Mr. and Mrs. Harry Willett
Mr. and Mrs. F. A. Ziegler
and family

In Appreciation

I wish to express my deep appreciation to the people of Antioch and to everyone for their many acts of kindness bestowed upon us during the illness of my late husband. I wish to thank the Antioch Rescue Squad, Sequoit Post V. F. W. No. 4551 and everyone for the acts of kindness and sympathy shown during my recent bereavement in the loss of my dear husband.

Mary Kohler

Card Of Thanks

I wish to thank the members of Antioch and Lake Villa Fire depts., for their fine help last Friday during our fire. Also our friends and neighbors.

Charles Paddock

I wish to thank all of my friends for the many kind remembrances I received while in the hospital.
Bob Hunt

Pedersen Bros. Have New Effective Weed Sprayer

A weed sprayer designed especially for 2, 4-D application has been placed on the market by the Massey-Harris Co., of which Pedersen Bros., on Rte. 173 east of Antioch is agent.

Although 2, 4-D will continue to find its major use in the control of weeds growing in crops, Mr. Pedersen pointed out that closely associated with this, but still requiring more testing and research, is the place it may have in eradicating perennial and other weeds on lands not cultivated or under summer fallow.

Too strong a pressure on a sprayer means a fine spray that may drift with the wind and damage or destroy valuable vegetation. Application must be heavy enough to kill the weeds yet not heavy enough to hurt the crop.

In the sprayer the Pedersen's have on sale, the pair of nozzles are at just the right height, distance apart and angle so that they cancel out the errors and cover the surface without skipping or overlapping. One of the main features is the low speed, high capacity corrosion-resistant gear type pump.

Card Of Thanks

We wish to thank our neighbors and friends, Dr. Anderson and the sisters at St. Therese hospital for the many acts of kindness and sympathy shown during our recent bereavement.

Maude E. Heine and family

Walter Forbrich Gets New Type Disc Sharpener and Will Service Lake County

Walter F. Forbrich of Bluff Lake has purchased a newly patented Freeway disc sharpener and has obtained along with it the territorial agreement permitting him to service discs in Lake county.

The service will be provided at a nominal sum and Mr. Forbrich

admits he has a big job ahead if he is called upon to sharpen all of the discs on the 2,000 farms in the county because he has the only Freeway sharpener, which is portable.

Farmers need not go great distances any more to get their disc blades sharpened, but can have it done at their farm. Forbrich asks that orders be given early so that he can budget his work daily.

WE DELIVER

Antioch Legion....

(Continued from page 1)
the fire, thereby losing to a "hot" Cary Legion team 38 to 29. In the second game, playing without their star forward, Kraft, the Antioch first team again gave a fine showing of teamwork and versatility by thumping the Cary cagers 63 to 36. This was done despite the fact that the local team played the last six minutes with only four men. The game was very ably officiated by C. A. Wolfenbarger and Gene Sheehan.

Between the halves of the game next Monday, the newly formed Judo Class will make its first public appearance in an exhibition. The members have mastered the basic lessons in six weeks. Normally, a period of six months is used to cover the same lessons. As expected, the class suffered a fifty percent drop in attendance after three weeks. The going gets rough for the average person—which will be obvious when you witness this exhibition, and see the terrific shocks the human body can take if properly trained. Joe Pat and Ralph Griesens are the two most advanced members and will be the demonstrators. There will be more public appearances as the class progresses and interest develops. The members will all take part in a training film that is to be made this summer on the "Sporting Approach to the Art of Self-Defense."

YOUR INCOME TAX

by
John T. Jarecki, Collector of Internal Revenue for the First District of Illinois

Deductible Taxes

The taxpayer who desires to itemize his deductions on the long Form 1040 will want to claim his allowable taxes. Included in the list of taxes you may claim are personal property taxes, state and local sales taxes and real estate taxes.

If you own real estate and pay the taxes, you may claim them in the year paid, provided you are on cash receipts and disbursements basis. This is true even though you have been delinquent in your payments of taxes for several years and pay them in a lump sum in one year. (The penalty on delinquent taxes is not deductible, but the interest is deductible as interest.) If you are on the accrual basis you claim your deduction for taxes in the year in which accrued.

As stated in last week's article, special assessments for local improvements on property you own are not taxes but additional cost to your property and not deductible as expenses for income tax purposes. You may claim only those taxes which are assessed directly on your property and never taxes on the property of someone else, regardless of the fact that you may actually have paid them. You do not own the streets, alleys or highways on which special assessments are spread. However, you may receive the benefit of such expenditures when you sell your property, for they represent additional cost.

Water tax is deductible on property you hold for income-producing purposes but is not allowable as a deduction for any part of the property you occupy, since the so-called tax is then a service-charge to you.

Different states have different laws concerning the amount of gasoline tax. In all states except Alabama, California, Florida, Louisiana, Utah, North Dakota and Wyoming the gasoline tax is deductible by the consumer for amounts in excess of the one and one-half cent Federal tax on each gallon of gasoline.

Automobile licenses are deductible by the record owner of a car. State or local retail taxes are also deductible.

All of the above-mentioned taxes may be claimed as deductions against income on Page 3 of Form 1040 if itemized deductions are claimed.

The following taxes, however, may be deducted as credits against the tax by those filing single, separate or joint returns on Form 1040, provided the standard deduction or tax table are not used:

(a) Income tax paid to a foreign country or United States possession. Deductible on Line 15, page 3 of Form 1040.

(b) Tax paid at source on tax-free covenant bond interest—Deductible on line 16, page 3 of Form 1040.

HICKORY

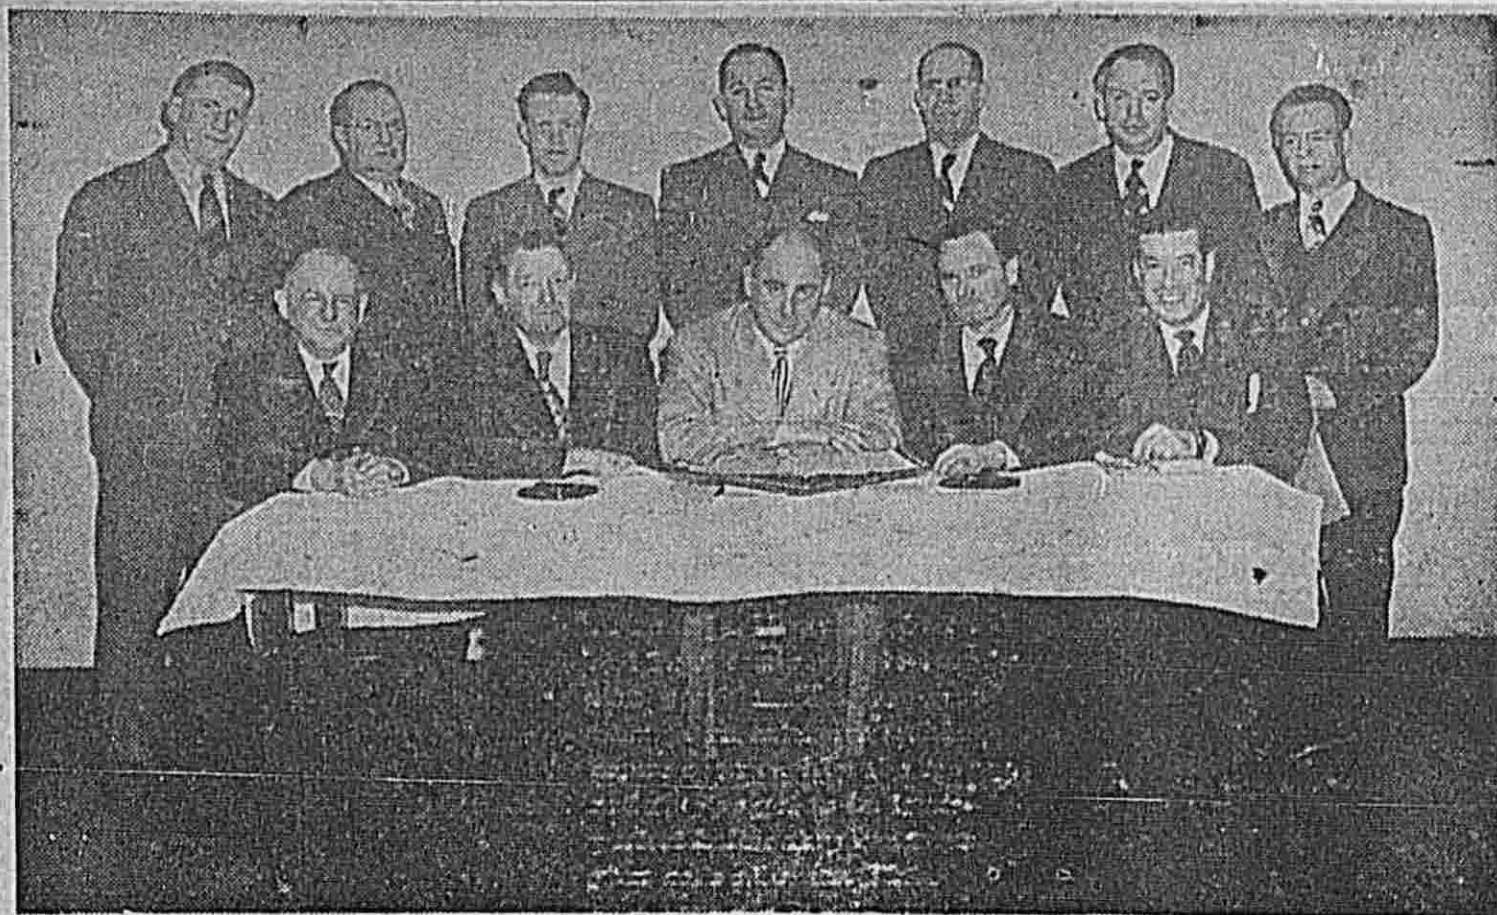

Mr. and Mrs. Joe Adams from Wadsworth and Mr. and Mrs. Elbert Elsbury, of Gurnee, were dinner guests at the Emmet King home on Wednesday evening.

Mr. and Mrs. George Thompson, of Waukegan, were Sunday afternoon callers at the Will Thompson home.

Mrs. Harold Edwards and daughter, Katherine, are visiting the Bert Edwards family. Harold Edwards has a position in Freeport, Ill., so he and his family are moving there this week.

Miss Grace Tillotson, of Kenosha, and Mr. and Mrs. Wilson King and daughter, Christine, of Whitewater, Wis., were dinner guests at the Emmet King home on Thursday.

Mr. and Mrs. Curtis Wells were guests at a birthday celebration on

BLUE CROSS ENROLLMENT IN RURAL LAKE COUNTY

X-Ray Services an Important Blue Cross Benefit

Bringing the facilities for health care within the financial reach of rural residents, through membership in the Blue Cross Plan for Hospital Care, is the first project of the Lake County Health Improvement Association in its determined efforts to better rural health conditions.

All of the modern hospital care benefits provided for members of the Blue Cross Plan will be available for those who enroll during the membership drive being conducted under the sponsorship of the Health Improvement Association, from February 14 through February 26, 1949.

Modern hospital care includes such services as X-ray and fluoroscopic examinations, electrocardiograms, basal metabolism tests and clinical and pathological laboratory tests, which leave nothing to chance in verifying the condition of various ailments. These valuable hospital care benefits, and many others, are provided without cost for Blue Cross members when they are bed patients in member hospitals and the services prescribed by their doctors are given by an employee of the hospital.

Loss to Barrington....

(Continued from page 1)
season for Antioch High, The Sequoias lost to Palatine here last Friday night 33 to 34, and chalking up one of their many one-point losses. The game at the half was a tie at 17-all. The Papposes lost by a big margin.

The summary of Tuesday night game was:

	Barrington (53)

Antioch 8-10-7-7-32

Other scores in the tournament were: Wauconda 41, Lake Forest 34, Elia 64, Grant 39.

1949-50 Cotton Season

The 1949-50 season is considered a crucial period in cotton since domestic prices of cotton already are at loan levels and prospects are that both the domestic and world carryover will increase during the current year.

Mr. Marshall Kimball at his home in Lake Villa Saturday evening. Mrs. Kimball served bounteous refreshments.

Mr. and Mrs. Fred Leable spent Sunday evening at the George McNeil home in Kenosha.

The Curtis Wells family were guests at the Emil Hallwas home at Loon Lake Tuesday evening, when Master James Hallwas celebrated his sixth birthday with birthday cake and ice cream.

Miss Helen Thompson, of Waukegan, was home over the weekend.

Mrs. Curtis Wells attended her Home Bureau meeting on Wednesday, Feb. 23rd, held at the home of Mrs. Robert McCann.

Uncle Sam Says

Here's one big, safe resolution for 1949: "Resolved, I will take advantage of the opportunity presented by my government to buy U. S. Savings Bonds regularly; the finest, safest and most convenient investment in the world." If you stop to think of it there's no better time than right now to start building a comfortable cushion for later years. Upon maturity, U. S. Savings Bonds will return to you four dollars for every three dollars you put into them. They can be bought regularly under two convenient purchasing plans, the Payroll Savings Plan where you are employed or the Bond-a-Month Plan at your bank. U. S. Treasury Department

Whole Wheat

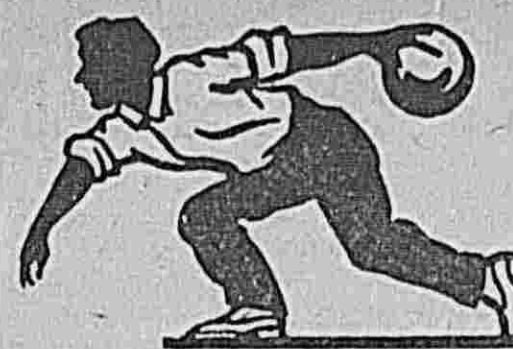

Breads offer a chance for variety in meals. The modern homemaker who is keeping up with the newer knowledge of nutrition is making sure that all bread and rolls she serves are enriched or whole wheat. In making biscuits, loaf bread, pancakes, waffles, cookies, gingerbread, and cakes, she uses whole wheat or enriched white flour. Oatmeal is an excellent food that adds to the variety and food value of cookies.

Leads in Jewelry Wear

Ninety-nine in 100 French women wear precious platinum, palladium or gold jewelry compared with the same ratio of American women who adorn themselves with costume pieces.

U. S. Meat Consumption

Per capita meat consumption in America in 1947 was 155 pounds, the highest in nearly 40 years, and was distributed as follows: Pork, 70 pounds; beef, 69.2; veal, 10.7; and lamb and mutton, 5.3.

Bowling

Thursday Business Men

Keulman Bros. was high team last week in the Thursday Business Men's league. The scores were 876, 844, 907—2607. G. Keulman of that team was high individual scorer, marking up 183, 209, 200 for a total of 592. Second high was G. Bremner of Herron's with a total of 586.

Govine Colostrum

Besides being rich in vitamins, bovine colostrum (first milk after calving) contains substances that help to protect baby calves against dangerous diseases.

DODGE TO INTRODUCE NEW KIND OF CAR BUILT FOR TODAY'S BIGGER TALLER AMERICANS

Daring New Dodge establishes new trend... provides more head room, elbow room and leg room, at the same time decreasing outside dimensions. Extreme lines, uncomfortable seats and cramped interiors have no place in Dodge thinking.

Army statistics revealed that the G.I.'s of World War II averaged 1 1/2" taller than the Doughboys of World War I. The same statistics showed they were also heavier and more active.

DODGE SAID "NO" TO THIS... repairing dented or torn fenders is sure to be costly when fenders are formed right into great masses of sheet metal. Now look below and see why Dodge owners don't have this worry.

DOWN GO REPAIR COSTS! No costly-to-repair, massive sheet metal fenders in new Dodge. Fender unit is bolted (not welded) to body; easily removed, repaired and even replaced, if necessary, at reasonable cost.

"BODY-CRAMPING ROOF LINES MUST GO," said Dodge! Army physical exams revealed that our wartime generation was bigger, taller and more active. A car with more interior space—not less—is the goal Dodge engineers achieved.

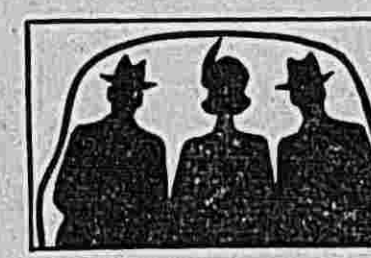

DODGE STARTED WITH A SPACIOUS INTERIOR—and practically built the rest of the car around it! Here is room to "room around in" plenty of room to let the human body take positions that are natural and therefore comfortable.

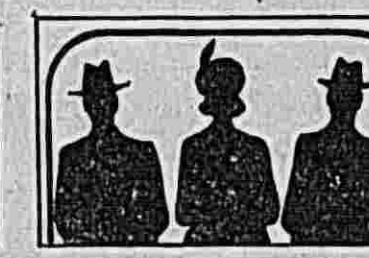

TIRING? YES! Doctors agree that people can't go for long periods "sitting on their spines" without becoming tired, irritable. Dodge did something about this, too!

AH-HI RELAXING! Dodge "knee level" seats, shown above, put the entire body in a natural position... with full leg support for restful, all-day comfort.

"NECK-CRICKING" CONTOURS ARE ALREADY OLD-FASHIONED," says Dodge. How can today's bigger, taller Americans be comfortable in a car where it's even hard to lean back or sit up straight?

DODGE ROOMINESS IS ROOM ALL AROUND... The new Dodge, shorter, narrower and lower, gives you more elbow room... leg room... head room... that today's bigger Americans will WELCOME!

LOWER ON THE OUTSIDE... Higher on the Inside • SHORTER ON THE OUTSIDE... Longer on the Inside

NARROWER ON THE OUTSIDE... Wider on the Inside

SEE HOW DODGE DOES IT!

U. S. Wives Rate Poorly Against Foreign Women

PHILADELPHIA, PA.—How does the American woman stack up in the international matrimonial derby?

If she had to compete for John Doe's affection—and wedding ring—with her sisters from other lands, would she emerge as a champion or a badly outclassed also ran?

More and more, authors, psychologists, sociologists and just mere men have been making uncomplimentary comparisons between America's women and those of other lands.

For instance, foreign correspondent Leland Stowe, on the basis of 20 years of travel on five continents, says that the American woman is neither all she thinks she is nor much that American men assume she is. Compared to her overseas sisters, she doesn't score as many top points as might be expected.

He draws up a lengthy indictment. Among other things, he says, American women have been accused of being the most spoiled, self-centered, aggressive, disinterested in men and homemaking, expensive, restless, rude, conversation hogging, unfeminine, individuality lacking unhappy and dissatisfied women in the world.

Are any or all of these things true? If they are, what is the reason?

These questions were directed in Philadelphia to a young French bride. Her answers are given below.

"American women should be the happiest in the world. They have more of the things that make life easy for a woman—refrigerators and washing machines and vacuum cleaners.

"Instead, they always seem to want more and more. In France women are happy with what they have.

"Perhaps that is why the United States keeps making progress—because its women want change. But it also means that American women always seem discontented.

So says Mrs. Marie Bonds, brown haired, brown eyed native of Biarritz, France, who came to this country to marry Ralph Bonds of Haverton, Pa.

Since that time she has accompanied her husband, a member of a brother team of organists, throughout New England, the east coast and the midwest, and has thus been able to observe American women in various settings.

"Why should American men prefer women of other nations?" Marie muses. "That is hard to say. After all, American women are attractive, much better informed than European women.

"However, the American woman's point of view is entirely different from, for instance, the French woman's.

"Take the matter of marriage. I believe we are more serious about it. From the time we are little girls, we are impressed with the idea that our most important duty is to look after our husbands and our children."

Japan's Baby Boom Zooms Population to 81 Million

TOKYO.—Japan's amazing post-war baby boom has even the statisticians gasping.

Abetted by a declining death rate, the bumper baby crop has helped up Japan's population to 80,800,000.

This is a population gain of eight million since Japan's surrender. Repatriation of Japanese soldiers and civilians from abroad accounted for slightly more than half the gain.

On the basis of present estimates by occupation experts, Japan has 568 persons per square mile.

Previously statisticians figured Japan would have a population of 80 million by 1950.

With that figure already exceeded by nearly one million, they now anticipate a population of 84 million by 1950, more than 90 million by 1955 and more than 100 million by 1970.

What has some Americans and Japanese thinking is that Japan is faced with a scarcity of everything—but babies.

Lion Claws Girl; She Forces It Into a Taxi

EAST LONDON, SO AFRICA. — A three-year-old circus lion became restless while being led thru the main street in this coastal city of southeast Africa. Ray Walker, girl lion tamer, hitched its chain around a post and the beast walked around until it was pulled up tight. In terror it turned and clawed the girl, forcing her to her knees.

Three men rushed in. One put his hand down the lion's throat, another tried to pull the lion off, and the third—an Indian—pulled the girl clear. Then the lion broke the post.

The girl, blood pouring from her wounds and forming a pool, turned and faced the beast. Slowly she forced it into a taxi! Then she took it to the circus grounds and a few hours later she and it appeared in their act as usual.

Pruning Fruit Trees
Fruit trees may be pruned as soon as the leaves have shed or anytime from then until sap rises in the spring. Those who practice fall and winter pruning avoid having to do this job during the rush of early spring work.

Housewife's Preference
An extensive poll in which housewives were asked, "If you had more food money, what would you spend it on?" disclosed that about one-third would buy more vegetables, fruits, and dairy products.

Life of Snakes
Some snakes have been known to live from one to two years without food by absorbing the fat of their own bodies.

Oregon Fire Precaution
In the state of Oregon, all internal combustion engines and tractors used by lumbermen must be equipped with an approved fire extinguisher.

Cheddar Cheese
Cheddar cheese was named for the village of Cheddar in England, but today more cheddar cheese is made in Wisconsin than in the whole of Great Britain.

Food Value of Potatoes
Potatoes will provide as much as one-fourth of the daily vitamin C quota, besides iron, other important minerals and starch and some of the B vitamins.

Red Clover
Red Clover has been found to improve in feeding quality when grown on land treated with manure, limestone and rock phosphate.

Preserving Beets' Color
To preserve the red color of beets when canning them, add no salt and do not let cold water touch the beets after they are peeled.

WEEDS AND PESTS TAKE A LICKING WHEN YOU USE A MASSEY-HARRIS NO. 2 SPRAYER

... and the result is clean, high yielding fields ... crops that produce better because they're stronger, healthier. In the new Massey-Harris No. 2 low gallonage sprayer you have a front-mounted tool custom designed to reduce weed, insect and cultivating expense.

The pump on the No. 2 is P.T.O. driven ... small, compact, out of the way. Made of bronze it resists corrosion, lasts longer. You control pump and boom pressure right from your place on the tractor seat. Booms are specially toughened aluminum, 20 or 30 feet long, with nozzles spaced 20 inches apart. Nozzles are of all brass with removable tips and screens ... the bases remain in the boom. Ample filtering capacity means reduced clogging, fewer stops in the field.

Stop in soon for complete details. Let's talk over this new method of applying 2, 4-D and D.D.T.

Special corn drops with reversible nozzle adaptors are available for spraying row crops with 2, 4-D or D.D.T.

CHEVROLET

is the most Beautiful BUY of all

STYLELINE DE LUXE
2-DOOR SEDAN

The most Beautiful BUY for Styling

Look at this exciting new Chevrolet from any point of view—inside and outside, front, side and rear—and you'll agree it's the smartest-looking automobile of this new year. For it alone, of all low-priced cars, brings you the distinguished beauty and luxury of Body by Fisher—the body featured on highest-priced cars.

The most Beautiful BUY for Comfort

Settle into the deep, soft, form-fitting seats. Notice the extra-generous head, leg and elbowroom of the Super-Size Interior. Ride in this "car that breathes"—with an advanced heating and ventilating system that inhales outside air and exhales stale air—giving comfort beyond compare! (Heater and defroster units optional at extra cost.)

The most Beautiful BUY for Driving and Riding Ease—with new Center-Point Design

Most sensational of all the advancements in this thrilling new Chevrolet for 1949 is the entirely new kind of driving and riding ease which it introduces into the low-priced field. New Center-Point Design—including Center-Point Steering, Center-Point Seating, lower Center of Gravity and Center-Point Rear Suspension—brings you driving and riding results heretofore found only in more expensive cars. The difference is so great—and so pleasing—that it's no exaggeration to say it is proving a revelation to all who drive or ride in this car. Remember—only new Center-Point Design can give these finer motoring results; and only the new Chevrolet offers Center-Point Design at lowest cost.

The most Beautiful BUY for Performance

What thrills you'll have when you drive this car! It's the only low-priced car with a Valve-in-Head engine—the engine which more and more makers of higher-priced cars are adopting—because it gives a much finer combination of performance, economy and dependability. And Chevrolet's world's champion Valve-in-Head engine holds all records for miles served and owners satisfied.

The most Beautiful BUY for Safety

Yes, you and your family will enjoy maximum safety, for Chevrolet brings you fivefold safety protection found only in this one low-priced car: (1) New Certified Safe Hydraulic Brakes; (2) Extra-Strong Fisher Unisteel Body-Construction; (3) New Panoramic Visibility; (4) Safety Plate Glass in windshield and all windows, and (5) the super-steady, super-safe Unitized Knee-Action Ride.

1899 **50** THIRTY YEARS OF SERVICE AT A SAVINGS 1949

LAKE VILLA

The fire department was called to the Jack Rhoades home last week when an overheated furnace burned the floor and some furniture quite badly. No one was home at the time, but a cleaner stopped to deliver goods and reported the fire. The loss is partly covered by insurance but much repair work and cleaning will be necessary before it will be ready for occupancy.

The sermon topic chosen by Rev. T. E. Rodd for the worship service at the Community church at 11 a. m., next Sunday is "Religion: Boost or Burden?" The Junior choir directed by Mrs. Warren Brown, will sing the offertory.

The Official Board met Wednesday evening this week at the home of Mr. and Mrs. Ben Cribb with Mrs. Carl Reinebach as assistant hostess.

The choir under the direction of Mrs. Gordon Martin and with Henry Bennecke as organist met at the church Monday evening for rehearsal, as they do each week.

The Community Youth Fellowship group met at the church Sunday evening and following a period of study, played games under direction of Mr. John Eustice of the Baptist Children's home.

The phone number at the parsonage has been changed to Lake Villa 4871.

Donna and Karen Martin, Irene Perry and Ronnie Nickerson represented Lake Villa church at the Mid-Winter Institute at Libertyville last Saturday and Sunday. Rev. Rodd attended the meeting on Saturday.

Mr. and Mrs. Marshall Kimball spent Sunday in Elmhurst with their daughter, Mrs. Hammersmith, and family. Mr. Kimball's birthday was celebrated Saturday evening at their home, when a group of friends came in to wish him happy birthday. They were Mr. and Mrs. Curtis Wells, of Antioch, Mr. and Mrs. O. L. Hollenbeck, of Millburn, Mr. and Mrs. Claude Look and Mr. and Mrs. Gust Minuth, of Third Lake.

Mrs. Marie Hamlin was called to Chicago last week Thursday by the death of a cousin, Miss Libbie Petru. The funeral was held Saturday and Mrs. Hamlin returned home Saturday evening with Mr. and Mrs. Clayton Hamlin, who went down for the funeral.

The Halcyon Club held its regular meeting last Thursday evening at the home of Mrs. Delbert Sherwood with a splendid attendance. A speaker from Koul's Discovery Shop in Waukegan gave a talk on "Interior Decorating" which was much enjoyed. Business meeting followed the discussion and the hostesses, Mrs. Sherwood, Mrs. Ellen Schneider and Mrs. Bernice Armstrong served refreshments. The committee which is in charge of the home talent play to be given Friday and Saturday evenings, March 25 and 26 at the school gym is very busy practicing. The play is a three act one "The Campbells are Coming", and tickets are now available.

The W. S. C. S. will hold its next

meeting at the church basement on Wednesday afternoon, March 2, and visitors are very welcome.

Mr. and Mrs. William Weber returned last week from St. Petersburg, Fla., where they visited their sister, Mrs. James Connell, and her husband, and Mrs. Florence Kerr, who was in Evanston with her daughter, Mrs. George Mitchell, returned home with them.

Mrs. Albert Kapple, who has been in Chicago with her daughter, Mrs. Charles Rothers and family returned home Sunday evening.

The Royal Neighbors held regular meeting at the hall Tuesday evening and had initiation ceremony for three new members, Mrs. Lela Barnstable has been appointed captain of the degree staff and three officers who were not able to be at the installation were also installed.

Mrs. Richard Whitaker spent several days as a patient at Victory Memorial hospital last week.

Mr. and Mrs. B. J. Hooper are receiving congratulations on the birth of a granddaughter, who is the third child of their daughter and husband, Mr. and Mrs. Traver Ellis, at Belvidere, who also have two sons.

Mrs. May Natiolet, who has been a hospital patient for some time returned to her home last week and is improving.

Mr. and Mrs. Warren Gilmore and small son, of Bristol, Wis., were guests of Mr. and Mrs. Joe Botts and Mr. and Mrs. Leo Barnstable on Sunday a week ago.

Mrs. Carl Ekdahl was guest of honor at a surprise shower at the home of Mrs. Ben Cribb last week Tuesday evening. Several of her young women friends came to honor her at this time.

Frank Galiger is spending several weeks with his son, Louis, and family in Northern Wisconsin.

Mr. and Mrs. Wm. Walker received a telephone message from their son, Wm. Jr., and wife at Enid, Okla., announcing the birth of a son early last Wednesday morning. William is a captain in the air corps of the army located at Enid.

Mr. and Mrs. Lloyd Ritzenthaler, of Prairie View and Mr. and Mrs. Cleveland Wright, nee Hyla Gawthorp, of Chicago, were guests of Mr. and Mrs. Delbert Sherwood on Sunday last week.

Mrs. Elizabeth Griffith, who with her daughter, Mrs. Mabel Holtz, has been at the Dan Boyer home for sometime, has returned to Chicago as the Boyers expect to leave Friday to spend a month in Florida.

Felt Hats

Rabbit fur is the raw material used for nearly all felt hats, and we import about 60 million rabbit skins a year from Australia for this purpose.

Chinese Pheasant

The pheasant is a native of the orient. A thousand years before the Christian era the Chinese were using them for food and sport.

Believe It or Not

The major use for buttermilk now—aside from food for man and beast—is in paint.

U. S. Factory Workers
A third of all persons employed in American factories work with materials supplied by agriculture.

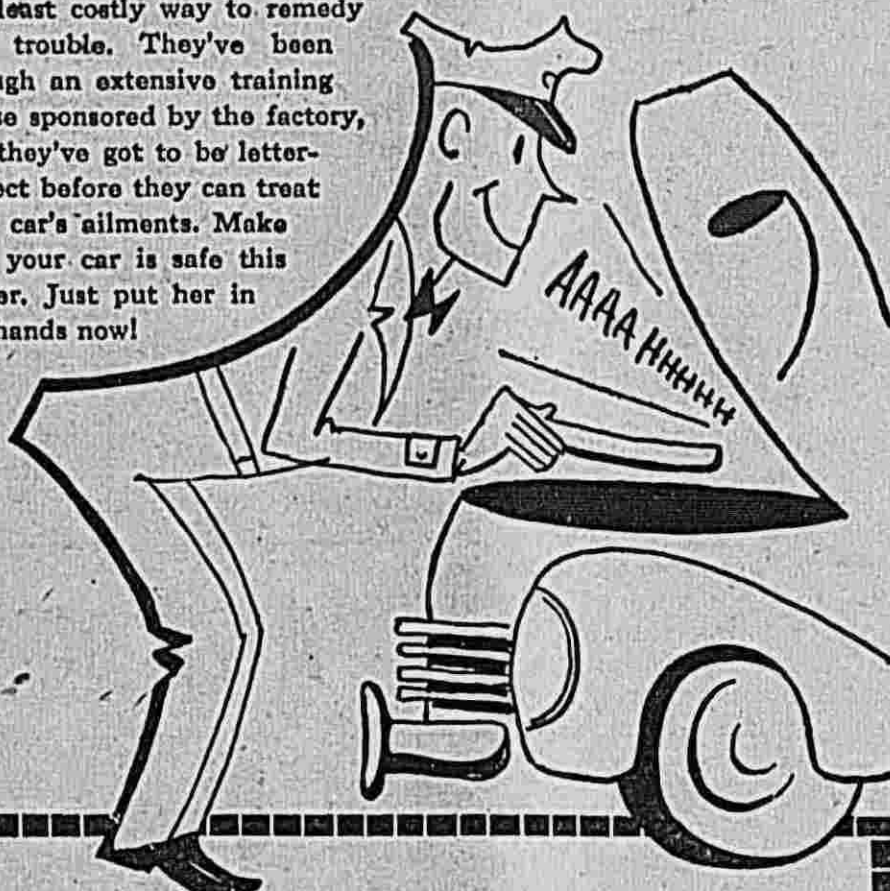

Atlantic City Boardwalk
Boardwalk in Atlantic City is eight miles long and 60 feet wide.

Demand for Farm Products
A strong demand for most farm products is expected in 1949, according to the USDA.

Pasture Forage
Rotational grazing will help to provide more pasture forage.

He Makes Your Car Say "Aahhh"! ... All Winter Long

Yes, our own special brand of "engine doctors", like a dependable family physician, know how to spot trouble quickly... surely. Know the best and least costly way to remedy that trouble. They've been through an extensive training course sponsored by the factory, and they've got to be letter-perfect before they can treat your car's ailments. Make sure your car is safe this winter. Just put her in our hands now!

CHRYSLER-PLYMOUTH engineering

Need Another Tractor?

If you're watching the weeds grow in the corn when the haying can't wait—worrying about planting when there's still more plowing and harrowing—or wishing the manure would haul itself when the big tractor's busy... you need another tractor.

With a Farmall Cub, you can plant, cultivate, or mow 12 acres a day... rake at 3 miles an hour... haul faster than a team. And you can spray, pump, run an elevator, plow snow, saw wood, shell corn, grind feed... a hundred other jobs too small for the big tractor.

Come in and see the Farmall Cub. It may be just what you need.

SHEAHAN IMPLEMENT CO.

Pamper your Buick?

You bet we do!

YOU touch the starter—and your car awakens with an expectant purr. You touch the gas treadle—and off you sweep, on a wave of buoyant power. Minutes, miles tick past, with a lift in every one of them...

A dream, you say?

Not for a Buick. Not for your Buick, if it's kept always at its brilliant best—by Buick specialists!

We have nothing but Buick specialists in our service department—men who know the heft and feel of every wire, washer or widget under a Buick hood, without looking.

When they do a tune-up or repair job on your Buick it's more than just a scientific, thoroughgoing, conscientious piece of work. They'll baby it a bit—and on the road you'll feel the difference in their craftsmanly touch.

This priceless kind of care costs you not a penny more. In the long run—by keeping your Buick always a Buick—we save you money!

HOW WELL CAN YOU SEE?

Headlights dim or discolored? Let us give you easier, safer night driving with a new pair of low-cost Sealed Beam units.

In addition, we'll line up the headlamps—check generator-charging rate—inspect voltage regulator—clean battery terminals and cables.

Buick care keeps Buicks best

Notice of Special Election

School District Number 36, County of Lake and State of Illinois
Public notice is hereby given that a special election has been called and will be held in and for School District Number 36, County of Lake and State of Illinois on Saturday, the 26th day of March 1949, at the school building of said School District Number 36, County of Lake and State of Illinois, the polling place for such special election for the purpose of submitting to the legal voters of said district the following proposition:

Shall the maximum tax rate for the educational fund of School District Number 36, County of Lake and State of Illinois be established at .35 per cent on full, fair cash value instead of .216 per cent, the maximum rate otherwise applicable to the next taxes to be extended?

It is estimated that the approximate amount of taxes extendible for educational purposes under the proposed rate is \$11,375.00 and the approximate amount of taxes extendible for educational purposes under the existing rate is \$7,024.00. Polls at said election shall be open at 12 o'clock noon and close at 7 o'clock in the afternoon of said day.

By order of School Directors, School District Number 36, County of Lake and State of Illinois, dated this 24th day of February, 1949.

School Directors, School District Number 36, County of Lake and State of Illinois.
By Charles Kempf, President
Walter F. Forbrich, Clerk

STATE OF ILLINOIS } ss.
COUNTY OF LAKE }

In The County Court of Said County In The Matter of the Grub School Drainage District No. 3216 Lake County, Illinois.

NOTICE OF PETITION OF COMMISSIONERS

TO: ALL PERSONS INTERESTED:
Notice is hereby given that the undersigned, the duly qualified and acting commissioners of the Grub School Drainage District, Lake County, Illinois, on the 14th day of February, 1949, filed in the County Court of Lake County, Illinois, their petition to declare all special assessments heretofore levied paid in full and thereupon the said Court did fix the 21st day of March, 1949, at 10:00 a. m. in the room in the Court House in Waukegan, Illinois, at that time occupied as a County Court Room by said Court, as the time and place when the Court would hear said petition and any objections thereto, at which time and place you may appear if you see fit so to do.

Dated at Antioch, Illinois, this 18th day of February, A. D. 1949.

Tip for Housewife
When buying an iron, get one that is not too heavy, for heat is more important than weight and pressure.

Speed Is King
Man-made missiles capable of circling the globe in two hours, and space ships that would make the moon a next-door neighbor of the earth, are possibilities of the future.

Rep. Pearson Sponsors Bill for Secret Voting In Illinois Primaries

Harvey Pearson, Lake county's new state representative, this week introduced a bill in the house of delegates providing secret primary elections.

Modeled on the Wisconsin election law, the measure makes it unnecessary for a voter to reveal his political affiliation in the primary. Instead of asking for a party ballot, the voter is merely given a ballot with all parties listed. After voting the party and candidates of his choice he tears off the marked ballot and places it in the ballot box, tearing up the rest of the ballot.

Rep. Edward C. Hunter (Dem.-Rockford) is co-sponsor of the bill. Pearson is serving on the labor and industrial affairs, elections, license and miscellany, military and veterans affairs committees. Among his first actions was to join Reps. Nick Keller and Thomas Bolger in memorializing the late Rep. Harold D. Kelsey whom he succeeded.

Sequoit V. F. W. Post Passes 100 Member Mark

Not yet four years old, Sequoit VFW Post No. 4551 passed the 100 mark in membership at its monthly business meeting last Monday.

The books of Quartermaster Warren Edwards showed a total of 102 paid up members as of that evening. In order for the post to win the prizes offered by the VFW National Headquarters it must have at least 105 members by the next regular business meeting, March 21.

According to membership chairman, Richard Burnette, the post should go well past the 105 mark by the March meeting. However, he adds a note of caution in advising members not to take for granted that the other fellow will bring in those needed members.

Th highlight of the meeting last Monday was the showing of the movie "Clear to the Top," a story urging moderation in drinking. The movie was shown through the courtesy of Joe Levandusky of "The Calvert Distilling Co." Members were so pleased with the movie that Mr. Levandusky has been asked to give a repeat performance in the near future.

Tynwald Parliament
A picturesque ceremony of more than 1,000 years standing is observed each summer when the Tynwald parliament of the Isle of Man meets on a hilltop above the town of St. John's. The acts passed in the preceding year by the House of Keys are then proclaimed in Manx, the native language, and English before finally becoming the laws of the island. The legislative assembly is one of the oldest in the world.
